TO: Mr. R. J. O'Rourke #1210

FROM: E. M. McAtee

In reviewing my suspense file I find I have not received further correspondence from you relative to Simon Properties Group. As we discussed, you were going to put the facts together in a short letter form so that appropriate people here in Winston-Salem could respond.

If your plan has changed, i.e. working with someone else here in Winston-Salem, decided against pursuing, etc. please advise as we were most interested in the outcome of this potential endeavor.

Looking forward to hearing from you in this regard.
